SELECTED WORK EXPERIENCE

Service Designer Specialist
BT Group | London UK

02/2022 - PRESENT

- Dedicated to lead end-to-end Design Process (From problem framing to UI/UX prototype) with key stakeholders, driving consumer digital business strategy with user centered approach through the creation of working proofs of concept
- Advocated "strategy by doing" approach to meet the new business transforms. Worked closely within an agile tribe consisting of Strategy Director, Product Leads, User Researchers and engineers, validating our future opportunities through addressing user needs with an understanding of what is technically feasible and commercially viable

Senior Service Designer
Globant | London UK

02/2021 - 02/2022

- Delivered a high-level experience journey framework that helps global marketing and sales teams positively contribute to business goals
- Defined service strategies and experience principles on automotive eCommerce by utilising human-centered design and service ecosystem

Product Designer
Tata Consultancy Services | London UK

12/2017 - 02/2021

- Led the end to end product design (hybrid service design, UI, UX) in a large-scale project
- Defined core values from UX research and transferred to high level strategy
- Collaborated closely with business manager, software developers, UX researchers, and marketing team
- Contributed to product vision and strategic plan with business manager
- Delivered and validated high fidelity prototype for a client with Agile methodology. This digital service lives in 1500+ retail stores at present

Graphic Designer

08/2014 - 12/2014

Conde Group | Macau China

- Responsible for branding concept development and graphic outputs (CIS Design), reported directly to design director
- Co-design booth exhibition and 3D floor plan for a large scale event

XD's

UI/UX Designer (Freelance)

10/2017 - 11/2017

XD's Group | London UK

- Established the service structure and user flows for the web and mobile
- Prototyped and designed an approachable experience for focus group
